As a motivated IT student, I seek a challenging role where I can apply my technical knowledge and gain experience. I am passionate about coding and committed to delivering high-quality work. My problem-solving skills, attention to detail, and ability to work collaboratively make me a valuable asset to any team. I am eager to pursue a career in IT and create innovative solutions that meet the needs of clients and users.

WORK EXPERIENCE

Front End Web Developer NexQuery (Private) Limited

06/2022 - To Date

Lahore, Pakistan

Achievements/Tasks

- Developed websites, mobile applications, and landing pages from conception to deployment.
- Standardized all output with a new, responsive, mobile-first approach and strategy.
- Assessed the technical viability of UX and UI designs.
- Worked together with the product team to put new feature advancements into practise.

PERSONAL PROJECTS

Fantasy Senses

- An online clothing store for convenient shopping.
<https://abc.fantasysenses.com/>
